TIGER '74

THE TIGER STAFF PROUDLY PRESENTS

THE 1974 TIGER

From the Editor's Desk

Much time and effort went into the making of this edition of the TIGER. There were pages to be drawn up and dead lines to be met. But the student body and faculty provided the theme. They portrayed their feelings through moods and expressions, from the first football game in the fall until graduation in the spring. We give to you our edition of the TIGER.

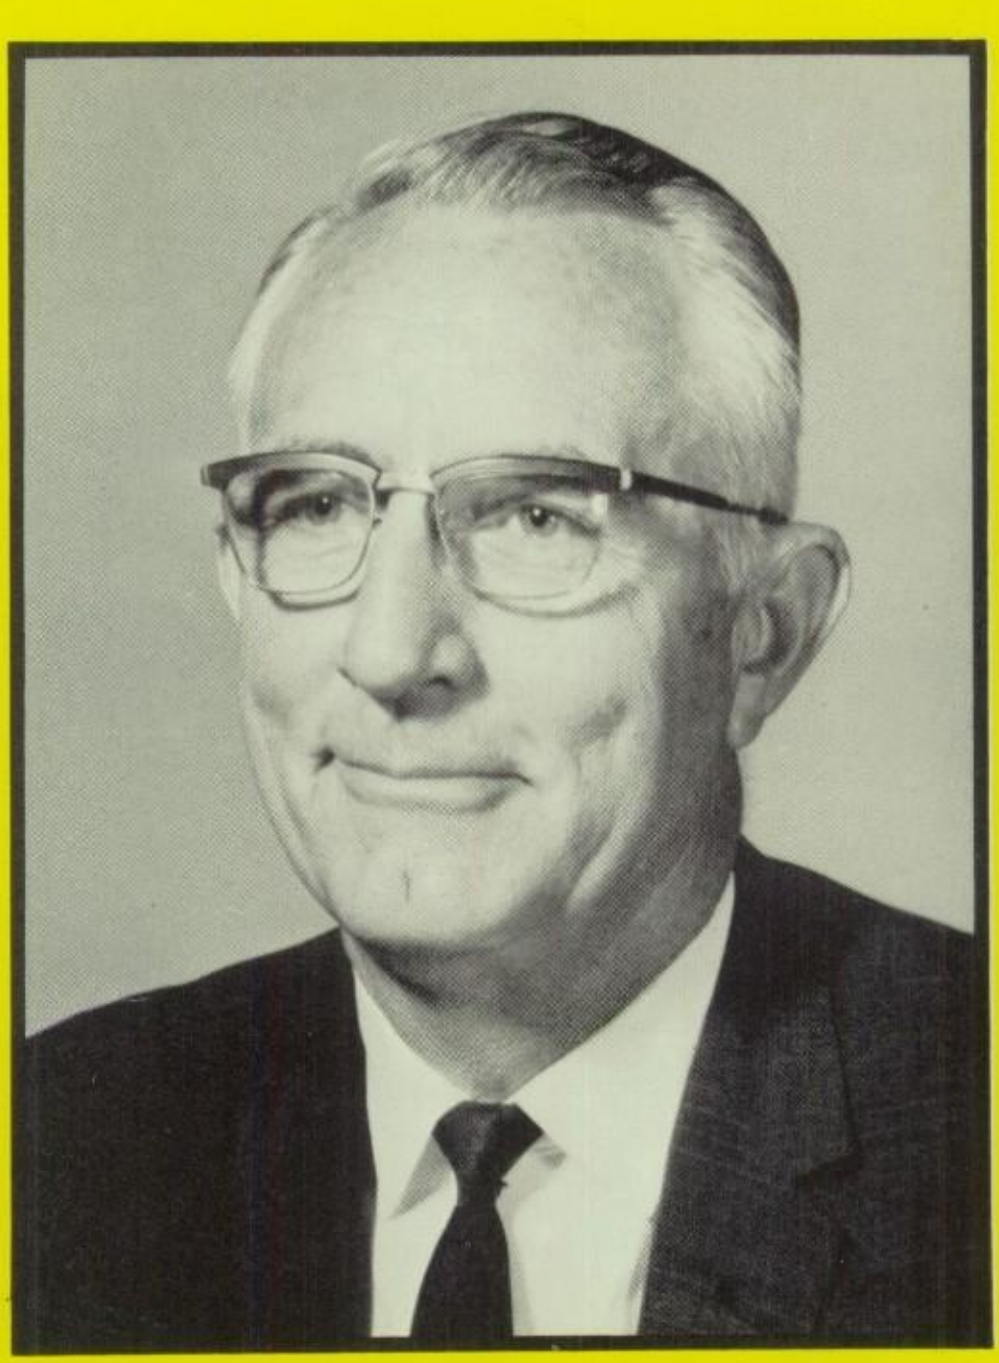
Dedication

Mr. R. L. Burton



In his fifteen year tenure here with the Trinity Public Schools Mr. Burton has been responsible for many changes. Buildings have been added and student enrollment has grown. Mr. Burton has contributed much to the school system not only in his work but with his cheerful smile and untiring manner. To Mr. Burton, our Superintendent, we proudly dedicate this edition of the TIGER.

In Memory

Robert Duree

Robert Earl Duree spent most of his short life in Trinity and finished his junior year in our schools. He was well known and loved by students and teachers alike. The absence of his courteous manner and his involvement in many phases of our school life is deeply felt.

Marie Huston

The faculty and students of the Trinity schools shall miss in a multitude of ways the cheerful smile, consistent good nature, and helpful deeds of their friend and associate, Mrs. Marie Huston.
